Subject: Notice of File Closure, Quality Building Stone, Inc., Snow White Mine, S/015/0084, Emery County, Utah

Dear Ms. Miller:

By letter dated March 9, 2010, the Division of Oil, Gas and Mining withdrew the referenced Notice of Intention to Commence Small Mining Operations (NOI) and required that reclamation be completed. The site was inspected on February 23, 2012, and it was determined that no additional reclamation is required; therefore, the NOI will now be closed and the files retired.

You are hereby released by the Division of Oil, Gas and Mining from further reclamation responsibilities at this site. If you wish to conduct any future mining or exploration related activity in this area, you will need to submit a new Notice of Intention to the Division and provide reclamation surety prior to creating any disturbance. You will also need to gain approval from the Bureau of Land Management.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5261 or Wayne Western at (801) 538-5263. Thank you for your cooperation.

Sincerely,

Paul B. Baker
